EMSON 2018 LAGOS

Invitation to the 2018 AGM & SC

On behalf of the Central Organising Committee (COC), I wish to invite you to the ancient city of Lagos, Centre of Excellence, on the occasion of the 40th Annual General Meeting and Scientific Conference of our great society - **Endocrine and Metabolism Society of Nigeria (EMSON)**.

This year's meeting promises to be both enriching as the COC has put together a programme that you will find very useful and will linger on in your memory for a long time.

The theme is: "Endocrine Practice in Nigeria: Challenges and Prospects" while the **sub-themes are:**

- Diabetes Mellitus: Latest Developments in Nigeria and the World
- Managing Growth Disorders in a resource poor setting
- Bench to Beside: The role of Basic Scientists in Endocrine Practice
- Disorders of Bone and Calcium Metabolism

Erudite guest speakers are coming from near and far to ensure you are greatly impacted in this year's event. In addition, there will be ample opportunity to network, catch up with old professional colleagues and mentors.

I encourage you to start making plans to attend and submit your abstracts (please find information overleaf) for this epoch event and I look forward to welcoming you.

PROF. ABRAHAM OSINUBI, MB,BS,M.Sc.,Ph.D.,FACE,FASN,FSECAN
Chairman COC, EMSON 2018
